RÉSUMÉ

Remington Cleve
1918 School Street
Two Rivers, WI 54241

EXPERIENCE

Museum of Science and Industry, Chicago \ Graphic Designer

December 2006 – April 2018

- Lead designer for temporary and permanent exhibitions.
- Design, produce and install exhibit and facilities signage.
- Manage graphic design and production schedules.
- Coordinate vendors and contractor work for exhibits.

EDUCATION

IADT, Chicago \ B.F.A., Advertising & Design

June 2004 – September 2007

Founded in 1977 by a former Sears's executive, Clem Stein, Jr, IADT is a comprehensive higher education institution offering programs in industry-current and relevant disciplines.

PROJECTS

Black Creativity Innovation Studio

Museum of Science and Industry, Chicago, 2014 – 2018

A perennial staple since 1970, BC highlights the accomplishments of people of color in the fields of STEM. 2014 saw the introduction of the Innovation Studio which promotes the essence of creativity through accessible group activities.

Spring Make Festival: Make Shop

Museum of Science and Industry, Chicago, 2018

A 10,000 square-foot digital playground of neon, 3D printers, and unique artifacts to inspire the inventive genius within everyone who dares to enter.

Porchlight Music Theater

Chicago, 2016 – present

Helping the creation of all physical and digital marketing materials for productions such as *Billy Elliot*, *Memphis* and *The Scottsboro Boys*. Additionally, I designed their latest annual brochures.
